

Special Enrollment Rights for Individuals Eligible for the Delaware Healthy Children Program (CHIP)

If you or a dependent are eligible for but not enrolled in coverage under one of the State of Delaware Group Health plans, you may enroll in coverage if you or your dependent's Medicaid or CHIP coverage is terminated as a result of loss of eligibility for that coverage, or you or your dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (not currently offered in Delaware). You must request enrollment in the plan within 60 days of the date you or your dependent lost Medicaid or CHIP coverage or within 60 days of the date your eligibility for premium assistance is determined under Medicaid or CHIP.
